What's new for Youth Leadership?

- Certificate in Northern Youth Recreation Leadership is earned through 4 days of in-person learning with a local trainer. Youth:
 - Develop essential knowledge and skills for working in the recreation field.
 - Gain experience and build their confidence as a recreation leader.
 - Become certified to improve their employment opportunities.
 - Make a difference in their communities.

What's new for Professional Development?

KEEP LEARNING WITH RECREATION NORTH!
A Territorial Route to
CPRA Professional Development Certification

FIRST, complete your Certificate in Northern Recreation Leadership.

NEXT, register with Recreation North for CPRA PDC pathway.

THEN, join Recreation North for learning events that lead to your Professional Development Certification with CPRA.

Recreation North
Training Program
